# ABOUT US!

Plenty Snackz is a pure, healthy, and hygienic powdered masala nuts. We have built deep back-end linkages with a few farmers and producers over the years, in order to provide adulteration-free products. We blend health and taste in each new product that we curate by undergoing creative innovation and, R&D. Currently, we have ten varieties of flavored cashew nuts with their cache brand name.

## TAPIOCA CHIPS

Tapioca chips are a snack food made from thin wafers of deep fried cassava root. Those are high in carbohydrates, it is a crunchy and flavorful snack food, and the chips are crunchier compared to banana chips and potato chips.

## SWEETS

This traditional Indian sweet, known as Cashew Katli, is a delectable treat made with high-quality cashews and traditional techniques. The rich and nutty flavor of the cashews is perfectly balanced with the delicate sweetness of the sugar syrup, creating a velvety smooth texture that melts in your mouth. The addition of cardamom powder and ghee adds depth and complexity to the flavor profile, making this dessert a true feast for the senses. Whether enjoyed as a special treat or gifted to loved ones, Cashew Katli is a must-try for anyone with a sweet tooth!

# SHELF LIFE:

We are recommended storage times for our Cashew Snacks and Chips range from 6 months to 1 year. Because food quality and Processing are affected by heat, the Chips are stored in an airtight container for up to 30 days. And our Badam Milk will store for up to 5 days once it's opened and refrigerated.
